Candle of Service Award

Dr. Justine Love, director of community and public affairs for CBS Radio Washington (including WPGC-FM), will serve as the mistress of ceremonies. Love is a known health advocate, ultimate networker and cause educator in the community and has worked with countless organizations to bring awareness regarding issues plaguing citizens in the Washington metropolitan area. She passionately educates listeners about being healthy as a whole, focusing particularly on women of color and youth.

Love is probably best known for the wildly popular nightly radio show "Love Talk and Slow Jams," which she co-hosted for 13 years on WPGC 95.5.

Entertainment will be provided by **Andrea Pais**. Born in India, Andrea grew up listening to soul legends such as Aretha Franklin, Etta James, and Ella Fitzgerald, thanks to her father's extensive Western record collection. Today, she performs regularly in the Washington, DC area.
