Open to All Adults

◆ Panel Discussion ◆ Q&A ◆ Music ◆ Lunch ◆ Vendors ◆ Door Prizes

Each of us has been touched in some way by the heart-wrenching problem of child sexual abuse. Our children are secretly abused in homes, day care centers, schools, communities and even our churches. We can no longer turn our heads, deny its reality nor minimize its impact on society. This seminar will educate, empower and inspire survivors and loved ones, concerned parents, and all stewards of children.

Maximizing God’s Woman, Inc.
